FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator, Office of Prosecution Services,** and the **Department of Elementary and Secondary Education** assume the proposed legislation would have no fiscal impact on their agencies.

In response to a similar proposal, officials from the **Office of the Attorney General** and the **Department of Public Safety -- Missouri State Highway Patrol** assumed the proposed legislation would have no fiscal impact on their agencies.

Officials from the **Office of the State Public Defender (SPD)** assume that existing staff could provide representation for the 25 to 50 cases arising where indigent persons were charged with carrying a gun into a school or onto a school bus. However, passage of more than one similar proposal could require the SPD to request increased appropriations to cover the cumulative cost of representing the indigent accused.

BILL NO. HB 1528
PAGE 3 OF 3

DESCRIPTION

The proposed legislation would expand the crime of unlawful use of weapons to include carrying a weapon onto school grounds or a school bus, unless the person is participating in a school-sanctioned, firearm-related event. Carrying a weapon into a school bus or onto school grounds would be a class C felony.

This legislation is not federally mandated, would not duplicate any other program, and would not require additional capital improvements or rental space.
